

# Behavior Tracker

Student: \_\_\_\_\_

Teacher: \_\_\_\_\_

| Date and time of the behavior | Who observed the behavior? | Behavior | What happened after the behavior? Was there a consequence? |
|-------------------------------|----------------------------|----------|--|
|                               |                            |          |  |
|                               |                            |          |  |
|                               |                            |          |  |
|                               |                            |          |  |
|                               |                            |          |  |
